**All Ages Welcome. Swimmer must be able to swim 25 yards.**

In the pre-competitive level of swimming, swimmers begin to build endurance and improve their skills in all four competitive strokes: freestyle, backstroke, breaststroke, and butterfly. Swimmers will work on stroke technique and drills designed to make their swimming easier and more efficient, while developing enthusiasm for the sport of swimming. Swimmers are encouraged to attend as many practice sessions as possible, but daily attendance is not mandatory. You may register for one team only, and must practice during the time you registered for. All practices are coached by a certified United States Swimming coach.

During the summer, the teams will be competing with each other and other area swim teams in a series of swim meets. These meets provide the swimmers an opportunity to have fun while utilizing their newly developed swimming skills. All participants will receive a team t-shirt and swim cap.

**Register  
Early!**

Registration Begins on  
May 1<sup>st</sup>

You may register through mail or in-person Monday—Friday from **4:00—**
